

- AT HOME ADVANTAGES
familiar environment -
children don't have to travel to
school, less expensive - parents
can adjust pace at which they
teach - Children more
comfortable - don't get
homesick or bullied -
- cheaper

- AT SCHOOL ADVANTAGES -
Access to sports, educational
facilities, support from staff -
Learn social skills, a change
from being at home the whole
time - learn to be independent
from parents - school organizes
trips abroad etc. with other
children - Graduating from a
good school with good grades -
helps find place at university -
Careers advice

- AT HOME DISADVANTAGES
Parents have to know
curriculum very well, have to
purchase books - their children
still need to pass their exams -
children don't get to interact
with other children - don't make
friends - no sports - time
needed to teach children

- AT SCHOOL DISADVANTAGES -
child can hate school, be
bullied, private school fees can
be very expensive, especially
boarding schools: food,
sleeping, sports etc.
homesickness at boarding
schools - teaching may not be
good - Parents can not know
how their children are doing -
Children may be afraid to tell
their parents they don't like
their school.
